

R E M A R K S

Claims 1, 2, and 4-10 had been pending in this application. Claims 2 and 8-10 are cancelled, without prejudice. Claims 1 and 5-7 are amended to more particularly point out Applicants' invention. New claims 11-15 are added, respectively corresponding to claims 1 and 4-7, but reciting a preferred embodiment of Applicants' invention. No new subject matter is introduced into the application by this Amendment. Claims 1, 4-7, and 11-15 are before the Examiner for reconsideration on their merits.

It is believed that the claims in their present form avoid the rejections stated in the Office Action of April 9, 2007.

If there are any questions concerning this application, the Examiner is invited to contact Richard Gallagher, Registration No. 28,781, at (703) 205-8008.

Dated: July 6, 2007

Respectfully submitted,

By
